GENERAL & TECHNICAL COURT REPORTING

1 A. Seven, eight, yes. Yes, I'm surprised one's in  
2 my name, though.

3 Q. And why are you surprised that one's in your  
4 name, Mr. Christensen?

5 A. Well, usually I can't buy any new bikes in my  
6 name.

7 Q. And if you look back on Page 1, Mr. Christensen,  
8 on the bottom, there's a signature down on the  
9 left. Do you recognize that signature?

10 A. Looks like Jason's.

11 Q. How about there's initials on the right,  
12 dealer's signature? Do you recall who that is?

13 A. No.

14 MR. BENSON: Would you mark this as  
15 Exhibit 3, please?

16 (Motorcycle Bills of Sale were marked  
17 Exhibit Number 3 for identification.)

18 Q. Mr. Christensen, can you take a look at what's  
19 been marked as Exhibit 3? Take a look at that,  
20 and let me know whether you recognize these  
21 documents.

22 A. Yes, these look like the bill of sales for all  
23 the bikes. Yep. I think everybody went down  
24 and signed individually for them.

1 Q. Didn't sell one of these motorcycles to Michael  
2 Gallagher?

3 A. No.

4 Q. Didn't sell one to Denise Gallagher?

5 A. No.

6 Q. You yourself personally didn't buy one of these  
7 motorcycles?

8 A. Well, I bought one here, yeah.

9 Q. And that was purchasing on behalf of Lee Custom  
10 Cycle?

11 MS. SMAGULA: Objection.

12 A. Yeah.

13 Q. Is that true?

14 A. Correct.

15 MR. BENSON: Would you mark this as  
16 Exhibit 4, please?

17 (Certificates of Origin For a Vehicle  
18 were marked Exhibit Number 4 for  
19 identification.)

20 Q. Would you take a look at what's been marked as  
21 Exhibit 4, Mr. Christensen, and let me know  
22 whether you recognize these documents?

23 A. Yes, these would be a copy of the title on  
24 those.

1 Q. On the eight motorcycles?

2 A. Correct.

3 Q. Okay. And these are the eight motorcycles that  
4 were purchased by Lee Custom Cycle?

5 MS. SMAGULA: Objection.

6 A. Correct.

7 Q. What's that, sir?

8 A. Correct.

9 Q. And is that your signature on the second page of  
10 this document?

11 A. Is that my signature? Yep.

12 Q. And do you recall how Lee Custom Cycle received  
13 copies of these documents?

14 A. I honestly don't.

15 Q. Do you recall receiving these at any time from  
16 Boston Harley-Davidson?

17 A. Dave would have. I don't know if the people  
18 individually brought them in, back to David  
19 or...

20 Q. Mr. Karp would know that?

21 A. Yeah. Probably everybody individually brought  
22 them in and gave them to Dave.

23 Q. Okay. Do you have any knowledge of that?

24 A. I'm not 100 percent sure.

1 Q. Let me know whether you've seen these drivers'  
2 licenses before.

3 A. Yeah.

4 Q. When do you recall seeing these?

5 A. I don't know. I know these guys, so I've seen  
6 their license before.

7 Q. Do you recall providing these licenses to Boston  
8 Harley-Davidson, copies of these licenses?

9 MS. SMAGULA: Objection.

10 A. These people must have gone in and then given  
11 them to him when they signed the titles and  
12 everything like that.

13 Q. Do you have any knowledge of that?

14 A. That's what we always do. That's what they must  
15 do. When you go to buy the thing, to get the  
16 title, they want a copy of your license.

17 Q. But these individuals did not purchase the  
18 motorcycles themselves, is that fair to say?

19 A. Yeah, but the whole --

20 MS. SMAGULA: Objection. Sorry.

21 A. The whole thing, did Jason know that these were  
22 going to Lee Custom Cycle? Yeah. Did Boston  
23 Harley know they were going to Lee Custom Cycle?  
24 Probably not. Did Jaime know they were going to

1           You may inquire.

2                       MS. SMAGULA:   Okay.

3   Q.    Mr. Christensen, going back to your  
4           conversations with Jason, Jason Morasca, what  
5           did Jason say to you about individuals  
6           purchasing the bikes?

7   A.    Probably just got to have some names to put the  
8           people -- you know, the titles in.

9   Q.    I want you to be -- I know this is a long time  
10          ago. I just want you to be as precise as you  
11          can. What do you remember him saying to you?

12   A.    "Got to get some names to put these bikes in."

13   Q.    Do you recall -- was he saying that in response  
14          to something you had said?

15   A.    No, not really.

16   Q.    What was your --

17   A.    Like I said, we all kind of know the deal. I  
18          mean I've done that at Seacoast for years. They  
19          knew that the bikes were going somewhere else.  
20          I bring my dad in. He was 70 years old. We put  
21          one in his name. They know my dad's not driving  
22          the bike. So I mean I've just been doing that  
23          forever.

24   Q.    But did Jason Morasca know any of these

1 from --

2 A. No.

3 Q. -- that?

4 A. No.

5 Q. So Lee Custom Cycle has never had any trouble  
6 with the police with regards to selling bikes?

7 A. We donate our lease on a PD bike. We've done  
8 that before. We have a real good rapport with  
9 the town, with the police and everybody. We  
10 give firefighter and police discounts.

11 Q. Has Lee Custom Cycle ever been investigated  
12 about taping over VIN numbers?

13 A. Yes, something came up about that.

14 Q. What was that?

15 A. I went down there to register a bike, a custom  
16 bike that I bought at a bike show up in Maine,  
17 and the guy never registered it. He never did  
18 the title work on it. He built it. The guy's  
19 like a little Jesse James or something. It was  
20 funny. We were at the show, and he said, "I  
21 bought my first bike from you, man," and he's  
22 building all these exotic choppers.

23 So I went down to DMV to register it.  
24 I had all the paperwork and stuff, and the guy

1 down at DMV and I grew up together. He says,  
2 "Jeez, it's funny, Jeff. Your name has come  
3 across my desk a lot lately." I said, "Really.  
4 What's that about?" "Well, Seacoast Harley  
5 called up the New Hampshire Dealers Association  
6 or DMV, motor vehicles, and wanted to know why  
7 am I taping up my VIN numbers and what are they,  
8 stolen motorcycles, and yadda, yadda, yadda.

9 So they had a few meetings on it to  
10 see if it was legal or not, and they did come up  
11 with the answer that, "Yes, they can be taped up  
12 while they're in my possession, but when they  
13 leave, after they're sold, they have to be  
14 untaped and they can't be altered or covered up  
15 in any way." So I assured him that he made the  
16 right decision because they're doing that in  
17 every other state in the United States.

18 Q. So do you have bikes on the floor of Lee Custom  
19 Cycle with VIN numbers taped over?

20 A. Once in a while we do.

21 Q. What is the purpose of that?

22 A. Just so Ed can't get in there through a spy or  
23 somebody else, get the VIN numbers, then call up  
24 and cry to Harley-Davidson, have them run the

1 VIN numbers and find out the dealers I bought  
2 the bikes from. Then the dealer gets in trouble  
3 that I bought the bike from, but the dealers  
4 don't know -- somebody comes in with, you know,  
5 a license and everything like that, they don't  
6 know.

7 Q. It's your understanding that the dealer is not  
8 aware?

9 MR. BENSON: Objection. Move to  
10 strike.

11 A. Yes. Lee Custom Cycle is buying the bike. Lee  
12 Custom Cycle isn't on the bank check. You know  
13 what I mean? So the dealer can be sitting there  
14 and not even know that we suck bikes out. We  
15 suck bikes out of Seacoast Harley-Davidson; they  
16 don't even know it. We're very aggressive.  
17 It's America. These things are all titled.

18 You know if we did this with sit-down  
19 lawn mowers out of Wal-Mart, where would we be?  
20 We'd be entrepreneurs; we'd be true Americans  
21 and stuff. You try to do it with a couple of  
22 Harleys, and everybody is all worried that you  
23 might be able to make a couple bucks off it, you  
24 know?

1 I mean, is buying a Harley illegal  
2 now? I mean, can somebody go in and buy one? I  
3 mean, what's the big deal?

4 MS. SMAGULA: I just need a minute.

5 Q. Mr. Christensen, so whenever Lee Custom Cycle  
6 purchases bikes from Harley-Davidson dealers,  
7 they provide individual names? You provide  
8 individual names?

9 A. Right.

10 Q. That's your practice?

11 A. Yeah. Like I say, my dad, my family members.  
12 It's just the way the deal works. They've got  
13 to have somebody's name to put it in. Tons of  
14 people have been doing that for a long time.  
15 They have their girlfriend.

16 Q. And in your experience, is the dealer usually  
17 aware?

18 MR. BENSON: Objection.

19 A. Sometimes yes, sometimes no. All depends.

20 Q. Do you personally own any Harley-Davidson bikes?

21 A. Yes, I own about 40 of them.

22 Q. You own about 40 of them?

23 (The witness nodded.)

24 Q. You ride all 40 of those?
